Experience

Snowbird Agility, Remote - Web Developer

Jan 2026 - Present

- Currently supporting public-facing MDA health websites using Sitecore CMS built on an MVC architecture with C# and Razor, alongside front-end technologies including JavaScript, NPM, Node.js, and AJAX.
- Started a full ground-up rebuild of the Tricare platform by authoring architectural roadmaps, upgrading server-side search/routing efficiency and client-side UI, and started building an AI solution to enhance both website functionality and internal operations. (Target release in September 2026)
- Completed extensive Agile methodology training and applied it within an active sprint-based team environment

SAIC, Huntsville, AL - Software Developer Intern

May 2025 - Aug 2025

- Developed features on an SAIC Army contract for a Kotlin Android application to support the next generation Command and Control mission for remote missile launcher and artillery support.
- Used Kotlin, Jetpack Compose, Gradle, Android, and Junit with Mockk for unit testing during development.

SAIC, Huntsville, AL - Software Developer Intern

May 2023 - Aug 2023, May 2024 - Aug 2024

- Developed backend features on an SAIC MDA contract for the NSITE (Network, System Integration and Test Environment) product in C# using Visual Studio.
- Collaborated in code reviews, sprint retrospectives, and grooming/estimation meetings to improve code quality and maintain development velocity. Additionally, presented demos via Teams to 150+ personnel.
- Used Git, GitLab, and GitKraken for version control, branch management, and task coordination in a collaborative team environment.

Education

Troy University, Troy, AL - B.S. in Computer Science - Graduated Summa Cum Laude

Aug 2022 - Dec 2025

- **Dean's List**, all semesters (2022–2025)
- **Relevant coursework:** Natural Language Processing, Intro to Machine Learning, Intro to AI

Technical Skills

- **Languages:** C#, JavaScript, Kotlin, Python, Java
- **Web:** HTML, CSS, Razor, AJAX, MVC
- **CMS:** Sitecore, Solr (Search Engine)
- **Package & Build Management:** NPM, Node.js, Gradle, Visual Studio
- **Version Control & DevOps:** Git, GitLab, GitKraken, CI/CD Pipelines
- **Mobile:** Android, Jetpack Compose
- **Testing:** JUnit, Mockk
- **Methodologies:** Agile/Scrum
- **AI Tools:** Claude Code and AI workflow integrations

Certifications

- **Security+ SYO-601** - March 2023
- **Microsoft Azure Fundamentals AZ-900** - Oct 2023
- **Remote Pilot's License Part-107** - March 2024

Projects

- AI 911 Operator Application, Java, Winner of 2024 Troy Hackathon
- Journey Journal, A Kotlin Jetpack Compose Android hiking journal application on the Google Play Store (Expected by June 1, 2026)

Extra Curriculars

Lambda Chi Alpha Fraternity - President

Aug 2024 - Dec 2025
